

**Relio Lengsi** is an experienced native Pohnpeian guide based in Eirike, Nett, who has assisted countless visiting researchers,

conservation workers, and tourists. He has expert knowledge of island culture, Pohnpei's trails and topography, and local flora and fauna. Relio specializes in **outdoor eco-experiences** that showcase the unique environment and history of Pohnpei. Rainforest and mangrove excursions; mountain treks; visits to waterfalls, caves, archaeological sites, and historic World War II features; and birding and ethnobotany hikes are some of the many options available.
